To Create the card:

Cut the Base: 10.5" x 5.5"

Score this base at: 1.75", 3.5", 7", and 8.75"

Create TWO cut lines:

1. **START** AT the first score line on the left-hand side of the card (and **down 1.5"** from the top) to create a **cut** line that **ENDS** at the first score line on the right-hand side of the card. This cut line will be 7" long.
2. **START** AT the first score line on the left-hand side of the card (and **down 4"** from the top) to create a **cut** line that **ENDS** at the first score line on the right-hand side of the card. This cut line will be 7" long.
